Subject: Child Support Change

Hello...

I'm a single mom of a 5 year old girl. Her dad was given every other weekend and certain holidays (plus a week in the summer) for visitations. Her dad doesn't take any of it.

Where my protest in this child support change comes from is her dad hasn't seen this little girl in over 6 months and I'm afraid that now a "price tag" has been put on my daughter's head he will see her just to get the reduction in money (this man only cares about money) not because he's truly interested in her. She doesn't like going with her dad and the best thing that has happened for us is for him to not come and see her.

I also am thinking of other poverty stricken woman who can't afford to have their payments lowered..even when the kids aren't in the house, it still costs.

Thank you for your consideration in this matter.
